

Don't Be Fooled By A Discount Plan

Learn the differences and you will see the importance of offering your clients only the benefits of a Real Dental Plan! California Dental offers three really good dental plans for individuals, couples & families. All California Dental Plans provide comprehensive coverage.

**No Charge Examination, X-Rays, Cleanings.
Orthodontics, Specialty Referral and even
Cosmetic Services are covered on Plan 595!**

AND, substantial savings over that of a typical discount plan when your clients actually need treatment.

Compare the Plans, See the Differences & Your Client's Savings!
