## California Dental Network Benefits Schedule and Policy Updates for 2019

### Effective January 1, 2019

The Covered California Exchange has updated the Family and Children's Dental HMO Plans to reflect the 2019 CDT update, and to align the covered benefits with commercial products in the current marketplace. The CDN Covered California Family Dental HMO and the CDN Covered California Children's Dental HMO benefits and copayments have been updated to the new 2018 Covered California benefit. Some new procedures have been added as covered benefits, and some have been modified. The applicable copayments apply to all CDN Covered California benefit schedules, including those members who enroll with CDN through our partnerships with Molina Healthcare of California and Ventura County Healthcare Plan, and are subject to the Plan's applicable Covered California Plan Limitations and Exclusions.

Please contact the Plan's Member Services or Provider Relations department if you have any questions regarding coverage.
